

Synergy School

December 2016

Dear Sir or Madam:

I am writing on behalf of Synergy School in San Francisco, a progressive non-profit K-8 school located in San Francisco's Mission District. Founded in 1973, our school empowers children to flourish academically, to blossom as individuals, and to become self-confident, creative learners.

Synergy School is committed to being accessible and offers financial aid assistance to more than one-third of our families each year. This is made possible by several parent-run fundraising events each year. Our largest fundraiser is the Annual Auction.

The Synergy School Auction will be held on Saturday, March 11, 2017 at the SOMArts Cultural Center. Our goal is to raise over \$100,000 to support tuition assistance and keep our tuition affordable.

We hope you can again support our vibrant and racially, ethnically and economically diverse community by donating goods or services that could be auctioned to the highest bidder. Your tax-deductible donation will be auctioned to our entire community of parents, staff, alumni and friends. With our online auction at Bidding for Good and more than 300 people expected to attend our event, you are sure to receive great visibility.

I have included a donation form for you to fill in and return to Synergy School. All gifts are tax-deductible (*Tax ID#94-2245103*).

Thank you for your support of the Synergy School Auction.

Sincerely,

Tiffany Abuan
